West Virginia State Code §8-1-5a (m) provides:

"Commencing December 1, 2015, and each year thereafter, each participating municipality shall give a progress report to the Municipal Home Rule Board and commencing January 1, 2016, and each year thereafter, the Municipal Home Rule Board shall give a summary report of all the participating municipalities to the Joint Committee on Government and Finance."

The Municipal Home Rule Board has developed this standard format for Home Rule Program participating municipalities to prepare and submit their respective Annual Progress Reports. The intent of this standard format is to gather and compile information in a consistent, easily understood, and efficient manner that will be used to develop a concise and practical summary report to the Joint Committee on Government and Finance.

Annual Progress Reports must be submitted electronically as an individual file in PDF format no later than the close of business on the first business day of December, by emailing to WV Municipal Home Rule Board at MunicipalHomeRule@wv.gov.

If no, please describe challenges faced in enacting the related ordinance(s).			
SUCCESSES – In the space below, please provide a brief narrative which highlights successes realized through the implementation of this initiative and any metrics used to track performance.			
We have had some success with on-site citations and have been more aggressive in the past year. We have had challenges in trying to place a tax lien on the property. See narrative in "lessons learned" below. The on-site citations helps with persons that live in the area to help remediate un-kept and vacant properties.			
LESSONS LEARNED – In the space below, please provide a brief narrative highlighting lessons learned during implementation of this revenue initiative that would benefit other municipalities.			
Tax liens have proven to be challenging. The Upshur County Assessor will not place the liens on the property taxes because Software Solutions, the company that controls the tax software will not recognize this as a tax lien. Until they are directed to do so in writing by state law or State Auditor the liens will not be recognized or placed on the property. The City of Buckhannon has lost several thousand dollars. The City of Buckhannon has placed liens on properties, but if the property is sold at a tax sale our liens are not recognized either.

SUCCESSES — In the space below, please provide a brief narrative highlighting successes realized through the implementation of this initiative and any metrics used to track performance. We held our first online auction in 2019. All of our departments compiled a list of surplus equipment to be auctioned. We drafted an RFP to select an auctioneer. JJ Kane Auctioneers was awarded our auction service. This proved very successful. It exposed our items to a much larger audience. We received over \$61,000 for all of our departments, in combined revenue.				
LESSONS LEARNED – In the space below, please provide a brief narrative highlighting lessons learned during implementation of this revenue initiative that would benefit other municipalities. It was beneficial to solicit an auctioneer. Each auctioneer charge differently for their services. Also, our auctioneer was experienced, and helped us with the whole process.
