West Virginia State Code §8-1-5a (m) provides:

“Commencing December 1, 2015, and each year thereafter, each participating municipality shall give a progress report to the Municipal Home Rule Board and commencing January 1, 2016, and each year thereafter, the Municipal Home Rule Board shall give a summary report of all the participating municipalities to the Joint Committee on Government and Finance.”

The Municipal Home Rule Board has developed this standard format for Home Rule Program participating municipalities to prepare and submit their respective Annual Progress Reports. The intent of this standard format is to gather and compile information in a consistent, easily understood, and efficient manner that will be used to develop a concise and practical summary report to the Joint Committee on Government and Finance.

Annual Progress Reports must be submitted electronically as an individual file in PDF format no later than the close of business on the first business day of December, by emailing to WV Municipal Home Rule Board at MunicipalHomeRule@wv.gov.

To Whom It May Concern::

I am writing in response to an email concerning WV State Code 8-1-5a. Although the Town of Chapmanville was accepted into the Home Rule Program in January 2021, the actual collection of tax revenue will not begin until July 2022. Therefore, we are not a participant at this time in the municipal tax program.

I have contacted Kathy twice today, and have informed her that we will be responding by mail to this request. She was extremely helpful, but was not able to locate the email that had been sent to our mayor. Enclosed are the forms sent to us by your department, a letter from Mayor Joel McNeely, and additional explanation provided by myself, Recorder Terilyn Wilson.

If any additional information is needed, please call 304-855-4582 or email me at recorderwilson@gmail.com or the mayor at joelsmcneely@gmail.com.

Sincerely,

A handwritten signature in blue ink that reads "Terilyn Wilson". The signature is written in a cursive style.
