Dear Ms. Browning:

On behalf of the Board of Directors of the Greenbrier County Convention and Visitors Bureau, I am writing to express our full support of Lewisburg's application to amend their written home rule plan to include the "Brunch Bill." This would allow the sale of alcohol within qualified establishments at 10am on Sunday mornings.

We feel this will enhance our area's tourism appeal and employment opportunities. Our visitors come from all over the United States and the world with many locations to choose from when making their decision to take vacation or a short getaway. Our city businesses are competing to attract those visitors and must have the features necessary to meet and exceed expectations.

We hope you will look upon Lewisburg's application favorably and approve their requested amendment.

Sincerely,
