West Virginia State Code §8-1-5a (m) provides:

“Commencing December 1, 2015, and each year thereafter, each participating municipality shall give a progress report to the Municipal Home Rule Board and commencing January 1, 2016, and each year thereafter, the Municipal Home Rule Board shall give a summary report of all the participating municipalities to the Joint Committee on Government and Finance.”

The Municipal Home Rule Board has developed this standard format for Home Rule Program participating municipalities to prepare and submit their respective Annual Progress Reports. The intent of this standard format is to gather and compile information in a consistent, easily understood, and efficient manner that will be used to develop a concise and practical summary report to the Joint Committee on Government and Finance.

Annual Progress Reports must be submitted electronically as an individual file in PDF format no later than the close of business on the first business day of December, by emailing to WV Municipal Home Rule Board at MunicipalHomeRule@wv.gov.

<p>REVENUES – In the space below, please provide a brief narrative highlighting revenue amounts and revenue categories realized; revenue amounts and revenue categories reduced; net revenue gain; and, any metrics used to track performance.</p> <p>First quarter collections for 1% sales tax was \$209,531 which was slightly less than anticipated according to our initial calculations. Net revenue gain after B&O tax and fee reductions was \$151,598.</p>
<p>SUCSESSES – In the space below, please provide a brief narrative highlighting projects, improvements, programming, etc. realized through the implementation of this revenue initiative and any metrics used to track performance.</p> <p>As we have only had one quarter of collections no specific projects or improvements have been planned at this point. Also Covid-19 has us operating on a more conservative basis than normal.</p>
<p>LESSONS LEARNED – In the space below, please provide a brief narrative highlighting lessons learned during implementation of this revenue initiative that would benefit other municipalities.</p> <p>I think the biggest lesson learned or challenge encountered was the lack of full participation by local businesses. Several were not aware of the sales tax implementation on July 1 and subsequently did not collect it. Communication with the Tax Department revealed they are working with those businesses to get that corrected.</p>
