

MUNICIPAL HOME RULE
PILOT PROGRAM

City of Buckhannon

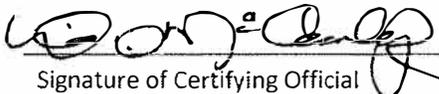

2016
PROGRESS
REPORT

West Virginia State Code §8-1-5a (m) provides:

“Commencing December 1, 2015, and each year thereafter, each participating municipality shall give a progress report to the Municipal Home Rule Board and commencing January 1, 2016, and each year thereafter, the Municipal Home Rule Board shall give a summary report of all the participating municipalities to the Joint Committee on Government and Finance.”

The Municipal Home Rule Board has developed this standard format for Pilot Program participating municipalities to prepare and submit their respective Annual Progress Reports. The intent of this standard format is to gather and compile information in a consistent, easily understood, and efficient manner that will be used to develop a concise and practical summary report to the Joint Committee on Government and Finance.

Annual Progress Reports must be submitted electronically as an individual file in PDF format no later than the close of business on December 1, 2016, by emailing Debbie Browning at debbie.a.browning@wv.gov, West Virginia Development Office, West Virginia Home Rule Pilot Program, State Capitol Complex, Building 6, Room 553, Charleston, West Virginia 25305-0311, 304-558-2234.

<p>SUCCESSSES – In the space below, please provide a brief narrative highlighting successes realized through the implementation of this initiative and any metrics used to track performance.</p> <p>With this ordinance, our Housing Enforcement Officer has been given the authority to issue on-site citations. This has been a valuable tool to help remediate un-kept and vacant properties. As an example, this ordinance teamed with our vacant property ordinance has reduced non-activity on vacant properties numbering 123 in our small town to about 31 vacant properties.</p>			
<p>LESSONS LEARNED – In the space below, please provide a brief narrative highlighting lessons learned during implementation of this revenue initiative that would benefit other municipalities.</p> <p>The matter’s value is not to be found so much in revenue generation as in empowering the Housing Enforcement Officer with another tool with which to encourage compliance among City property owners. The prospect of a citation which will operate as a lien against the property has motivated violators to come into compliance prior to the issuance of a citation.</p>
