MUNICIPAL HOME RULE PILOT PROGRAM

City of Follansbee

2018 PROGRESS REPORT
West Virginia State Code §8-1-5a (m) provides:

“Commencing December 1, 2015, and each year thereafter, each participating municipality shall give a progress report to the Municipal Home Rule Board and commencing January 1, 2016, and each year thereafter, the Municipal Home Rule Board shall give a summary report of all the participating municipalities to the Joint Committee on Government and Finance.”

The Municipal Home Rule Board has developed this standard format for Pilot Program participating municipalities to prepare and submit their respective Annual Progress Reports. The intent of this standard format is to gather and compile information in a consistent, easily understood, and efficient manner that will be used to develop a concise and practical summary report to the Joint Committee on Government and Finance.

Annual Progress Reports must be submitted electronically as an individual file in PDF format no later than the close of business on December 3, 2018, by emailing Courtney Shamblin at courtney.d.shamblin@wv.gov, West Virginia Department of Revenue, West Virginia Home Rule Pilot Program, State Capitol Complex, Building 1, Room W-300, Charleston, West Virginia 25305, 304-558-3356.

A. General Information

REVENUES - In the space below, please provide a brief narrative highlighting revenue amounts and revenue categories realized; revenue amounts and revenue categories reduced; net revenue gain; and, any metrics used to track performance.

$224,507.45 was the amount of the 1% tax.

The reduction in B&O revolved around food related businesses and car sales. Those reductions were $5,642.68 in automobile sales and $7,809.10 in food related sales.

SUCCESSES - In the space below, please provide a brief narrative highlighting projects, improvements, programming, etc. realized through the implementation of this revenue initiative and any metrics used to track performance.

This enabled the City to begin putting money away to either build a new fire station for our VFD or remodel the existing. Currently, City Council at the November meeting interviewed engineering firms to begin the feasibility study on the existing station. Three firms were interviewed and ranked. The next interview is scheduled for Dec 10 with the highest rated firm.

We also were able to use $150,000 for our annual paving projects.

The businesses that had their B&O reduced are most grateful

LESSONS LEARNED - In the space below, please provide a brief narrative highlighting lessons learned during implementation of this revenue initiative that would benefit other municipalities.

We got the word our early on what we were doing. We had informational meetings which helped answer questions before we implemented the program. I did miscalculate the first year because our program began with July 1 date which meant we only received 3 quarters or revenue the first year because the July 2018 distribution is in the current fiscal year revenues.
