This non-tax related initiative has not been implemented, because the City's Administration changed in June 2015 and the current Administration has been focused on other projects. This includes the demolition of slum and blighted property in the City of Parkersburg. Furthermore, the City and/or its Urban Renewal Authority can already participate in the sale of tax delinquent properties, especially on property where the City has issued liens for demolition or delinquent fees.

Article 778: Consumer Sales and Use Tax was enacted on December 16, 2014 with an effective date of July 1, 2015. Subsequently, the City's plan to reduce and/or eliminate Business and Occupation Taxes (Article 779: Business and Occupation Tax) was approved by Parkersburg City Council on January 13, 2015. After receiving comments from the Home Rule Pilot Program Board and an advisory opinion from the West Virginia Attorney General's Office, further amendments were made to Article 779 so as to be in compliance with the enabling legislation. These revisions were approved by Parkersburg City Council on January 13, 2010 on final reading on July 28, 2015 and were submitted with the City's 2015 Progress Report.
REVENUES – In the space below, please provide a brief narrative highlighting revenue amounts and revenue categories realized; revenue amounts and revenue categories reduced; net revenue gain; and, any metrics used to track performance. N/A

A one percent sales tax was implemented on July 1, 2015, per Parkersburg City Ordinance 0-1500. Since the tax was implemented, the City has received remittances from the State of West Virginia Tax Department in excess of \$30 Million over the past 8 years. In accordance with the enabling legislation,

the City eliminated and/or reduced Business and Occupations Taxes on the following categories:

Category:	Previous Rate:	Current Rate:	
Manufacturing	0.20	0.00	
Retail/Restaurants	0.40	0.28	
Electric, light, and Power	3.60	0.00	
(on sales and demand charges for dome	estic purposed and comn	nercial lighting)	

Electric, Light, and Power (on sales and demand charges for all other	2.80 • purposes)	0.00
Public Utilities - Natural Gas (on sales and demand charges for all other	2.35 purposes)	0.00

As a result, the City foregone/lost approximately \$11,550,000 in B&O taxes during the same time period. To date, the implementation of the City's sales tax and subsequent reduction and/or elimination of B&O taxes has had a net revenue gain of approximately \$19,717,275.93.

LESSONS LEARNED – In the space below, please provide a brief narrative highlighting lessons learned during implementation of this revenue initiative that would benefit other municipalities.

Parkersburg initially planned to reduce 8&O taxes on January 1, 2016. After receiving some questions from the Home Rule Pilot Program Board and an advisory opinion from the West Virginia Attorney General's Office, the city revised its plan so the implementation of the City's sales tax would simultaneously coincide with a reduction in B&O taxes. As such, the City had to revise its budget for fiscal year 2015-2016. There have been no issues since then regarding this tax initiative.
