MUNICIPAL HOME RULE PROGRAM

City of South Charleston

2023 PROGRESS REPORT

West Virginia Municipal Home Rule Board P. O. Box 11360 Charleston, WV 25339-1360 <u>MunicipalHomeRule@wv.gov</u> 304.558.3356

West Virginia Code §8-1-5a(n) [2019] provides:

On or before December 1 of each year, each participating municipality shall give a written progress report to the Municipal Home Rule Board, and on or before January 1 of each year, the Municipal Home Rule Board shall give a summary report of all the participating municipalities to the Joint Committee on Government and Finance.

The Municipal Home Rule Board has developed this standard format for Home Rule Program participating municipalities to prepare and submit their respective Annual Progress Reports. The intent of this standard format is to gather and compile information in a consistent, easily understood, and efficient manner that will be used to develop a concise and practical summary report to the Joint Committee on Government and Finance.

Annual Progress Reports must be submitted electronically as an individual file in PDF format no later than the close of business on the first business day of December, by emailing to WV Municipal Home Rule Board at <u>MunicipalHomeRule@wv.gov</u>.

Initiative: Municipal Sales and Use Taxes (Issue 1. & 5.)

Was this tax initiative a part of your original plan application \square or a plan amendment \square ?

The original 2014 plan called for up to a half percent sales and use tax.

The first plan amendment in 2015 removed the half percent restriction.

Has the ordinance(s) needed to implement this initiative been enacted? I Yes No

If yes, when was the ordinance enacted? Ordinance No. 2223 was approved on December 17, 2015.

If no, please describe challenges faced in enacting the related ordinance(s). None.

REVENUES – In the space below, please provide a brief narrative highlighting revenue amounts and revenue categories realized; revenue amounts and revenue categories reduced; net revenue gain; and, any metrics used to track performance.

Ordinance No. 2223 became effective on July 1, 2016. The ordinance had the effect of reducing the four percent B&O tax rate on water companies to three percent; reducing the three percent B&O tax rate on electric light companies to three percent; reducing the four percent B&O tax rate on electric light companies to three percent; reducing the four percent B&O tax rate on electric light percent; eliminating the one-half percent B&O tax rate on places of amusement; and establishing a one percent municipal sales and use tax. The City Treasurer tracks the City's revenues. The municipal sales and use tax realized approx. \$4,474,149 in revenue from October 2017 through September 2018. As compared to the 2015 B&O rates for such period of time, revenues from B&O taxes for were reduced by approximately \$437,216. The City realized a net revenue gain of approx. \$4,036,933 from Oct. 2017 through Sept. 2018; \$4,281,025, \$4,320,496, \$4,569,421, and \$5,043,572 in subsequent years; and approx. \$5,235,028 from Oct. 2022 through Sept. 2023.

SUCCESSES – In the space below, please provide a brief narrative highlighting projects, improvements, programming, etc. realized through the implementation of this revenue initiative and any metrics used to track performance.

Ordinance No. 2223 became effective on July 1, 2016, and the City received its first municipal sales and use tax revenues in mid-October 2016 for July and August of 2016. Since that time, the City has received quarterly tax revenue disbursements. Such revenues have benefitted the employee health insurance trust fund and the pension funds for South Charleston's fire fighters and police, permitted additional street paving and infrastructure improvements, construction of new fire station #5, and payoff of bond debt for the City's ice arena four years early, paid the lease purchase payments for new fire trucks, and funded various economic development efforts, including the purchase of distressed properties within the City and paying interest on economic development bonds issued as bridge financing for the South Charleston TIF District.

LESSONS LEARNED – In the space below, please provide a brief narrative highlighting lessons learned during implementation of this revenue initiative that would benefit other municipalities.

South Charleston worked closely with the WV State Tax Department to ensure that the City's proposed tax ordinance and documentation required by the State met all requirements prior to their submission to the State. Other municipalities could likewise benefit from such close consultation with the WV State Tax Department.
