Rev. 08.01.24

West Virginia State Code §8-1-5a (m) provides:

"Commencing December 1, 2015, and each year thereafter, each participating municipality shall give a progress report to the Municipal Home Rule Board and commencing January 1, 2016, and each year thereafter, the Municipal Home Rule Board shall give a summary report of all the participating municipalities to the Joint Committee on Government and Finance."

The Municipal Home Rule Board has developed this standard format for Home Rule Program participating municipalities to prepare and submit their respective Annual Progress Reports. The intent of this standard format is to gather and compile information in a consistent, easily understood, and efficient manner that will be used to develop a concise and practical summary report to the Joint Committee on Government and Finance.

Annual Progress Reports must be submitted electronically as an individual file in PDF format no later than the close of business on the first business day of December, by emailing to WV Municipal Home Rule Board at MunicipalHomeRule@wv.gov.

| If no, please describe challenges faced in enacting the related ordinance(s). |
| <p>REVENUES – In the space below, please provide a brief narrative highlighting revenue amounts and revenue categories realized; revenue amounts and revenue categories reduced; net revenue gain; and, any metrics used to track performance.</p> <p>The Municipal Sales and Use Tax effective date for the City of Hurricane was July 1, 2020. The City has received \$1,936,702.65 in revenue in calendar year 2024 which is above our original annual revenue projection of \$1,350,000 annually. This revenue was anticipated and appropriated in our FY2024 and FY2025 Budgets. The City reduced Business & Occupation Tax Rates in the Retail category. Our original projections of a \$150,000 decrease in Revenue due to this reduction seem to be correct. If this continues to be the case, the City will see a net revenue gain of \$1,786,702.65.</p> |
| <p>SUCCESES – In the space below, please provide a brief narrative highlighting projects, improvements, programming, etc. realized through the implementation of this revenue initiative and any metrics used to track performance.</p> <p>Our Municipal Sales and Use Tax was used to fund part of the build of a new Fire and Rescue Department and to employee three paid Firefighters for the City of Hurricane. The Municipal Sales and Use Tax also helps fund other things such as paving and concrete for streets and parks and rec development.</p> |
