**SUCCESSES** – In the space below, please provide a brief narrative which highlights successes realized through the implementation of this initiative and any metrics used to track performance.

We demolished one structure in the previous year, but we have not demolished any structure this year.

We are continually addressing the eyesores in our town. As we learned from our experience of demolishing a structure, it is much easier to address problems before they get to that point.

Our home rule ordinance has allowed us to address these issues.

**LESSONS LEARNED** – In the space below, please provide a brief narrative highlighting lessons learned during implementation of this revenue initiative that would benefit other municipalities.

**REVENUES** – In the space below, please provide a brief narrative highlighting revenue amounts and revenue categories realized; revenue amounts and revenue categories reduced; net revenue gain; and, any metrics used to track performance.

In calendar year 2022 we collected $232,126.85 in sales tax revenue. This is slightly lower than our estimates of $258,000.

We eliminated B&O tax on wholesale and manufacturing with a total reduction of $3,781.31 from quarter before the reduction, giving us a net revenue gain of $228,345.54.

**SUCCESSES** – In the space below, please provide a brief narrative highlighting projects, improvements, programming, etc. realized through the implementation of this revenue initiative and any metrics used to track performance.

With the additional revenue from the 1% sales tax, we have been able to provide our employees with health insurance. We are currently making plans to improve the police department building.

**LESSONS LEARNED** – In the space below, please provide a brief narrative highlighting lessons learned during implementation of this revenue initiative that would benefit other municipalities.

We have recently learned (from other home rule cities) that we can obtain a listing of businesses that remit sales tax to us from the WV State Tax Department. This will help us in an effort to make sure businesses in our town are licensed and remitting the proper taxes.
